

MyChart Patient Access Request Form

Epic MyChart is a secure, online patient portal that connects you to parts of your health record at one or more of the following institutions of care: The Ottawa Hospital Academic Family Health Team, Hawkesbury and District General Hospital, Renfrew Victoria Hospital, St. Francis Memorial Hospital, The Ottawa Hospital, the University of Ottawa Heart Institute, Deep River and District Hospital, Kemptville District Hospital, and Winchester District Memorial Hospital.

To request access to MyChart, please complete the fields below. If you require assistance in completing the form, please contact the Health Records Department at the institution(s) where you have received your care. MyChart access will not affect your legal right to access your health record by other means. To request a paper copy of your record, contact the Health Records Department at the institution(s) where you have received your care.
